This stylish townhouse offers the ultimate in contemporary living which is sure to impress young families, professionals couples and investors.

Built in 2004, No.3 sits at the rear left of this appealing group of just six townhouses.

The first thing you will notice is the impressive layout as you enter the light filled open plan kitchen/dining/lounge. The kitchen is modern, functional and includes quality stainless steel Fisher & Paykel oven, gas cook top and dual door dishwasher. The added bonus is a practical breakfast bar that would double up as a great place to pay bills on your laptop or surf the net.

The lounge and dining area is very spacious and functional overlooks a wonderful feature of the property - the
