16 View Avenue Seaton SA

3 2 2

This quality Rivergum home needs to be seen to be appreciated.

It is sure to impress from the moment of entry with its tall ceilings and high gloss ceramic tiles throughout the ground floor which just gleam with the reflection from the natural light and LED down-lights.

Following on with the glossy theme, you will find white 2pac gloss kitchen cupboards with quality brushed stainless steel Smeg appliances in the modern kitchen which overlooks the open plan dining and lounge area.

Just beyond this is a magnificently finished off alfresco that will be the envy of all your friends. With kitchen sink, ample bench space, stainless steel ceiling fan, TV point and quality outdoor blinds you will want to spend your days
