## 1 Hatwell Court Underdale SA

4 2 2

The commanding presence and distinctive style of this 2008-built home doesn't stop at the front door. If anything, when you cross the threshold the wow factor goes up a notch.

Exquisite interior design somehow both excites and calms simultaneously with soothing, earthy browns elegantly fusing with soft and subtle whites which are lively, but not loud.

This is open-plan living at its finest. A very generous kitchen offers abundant bench and cupboard space along with an island bench, breakfast bar & Miele appliances. Every inch of this kitchen is tasteful, designed and equipped for executive entertaining with ease. The dining and living zones are both spacious, inviting and casually chic.
