## 26 May Street Fulham Gardens SA

3 2 2

Creating a home with just the right blend of comfort and style is a skill which the designers certainly nailed when they built this lovely property in 2015.

While this contemporary three bedroom home showcases masterful design and an exquisite colour palette, it also boasts a brilliant location on the fringe of exclusive beachside suburbs.

The beautiful Henley Beach esplanade is just over a kilometre away while families will also love the very short walk to St Michael's College with Star of the Sea school and Fulham North Primary also not far. Coupled with local reserves, public transport, shopping, dining and fabulous cafes, this is a location couples and small families will love.

**Type** : House

**Price** : \$ 575,000
