

34 Hawson Avenue North Plympton SA

4 2 1

Set on a 407m2 block (approx.) this is easy modern living for busy families and offers a backyard escape with a tropical feel.

While the paved front yard provides zero maintenance and easy off-street parking, the leafy rear garden is quite an oasis, albeit still an easy-care environment. The purpose-built gazebo provides an invitingly cool and shady spot in which to relax with friends on a lazy summer evening.

Offering four bedrooms or three plus a study, this 2006-built conventional home provides plenty of room for the growing family. The master bedroom gives mum and dad the privacy of their own ensuite and walk-in robe, while two of the three remaining bedrooms have built-in robes.
