Options galore: - this three bedroom 1950s double brick home has been well kept over many years but is fairly original.

Positioned on a very large block of approximately 890 sqm and offering a 20.15 metre frontage, this is prime land to subdivide and build on (STCC).

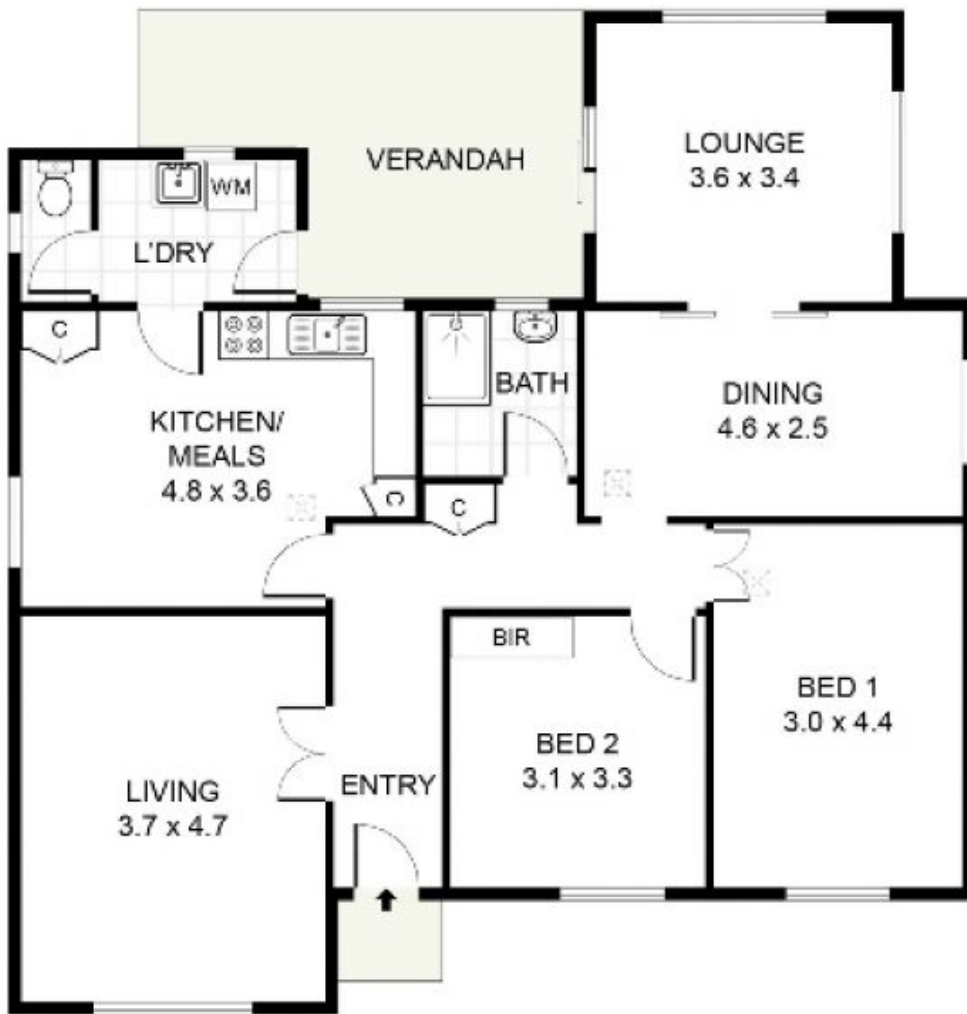

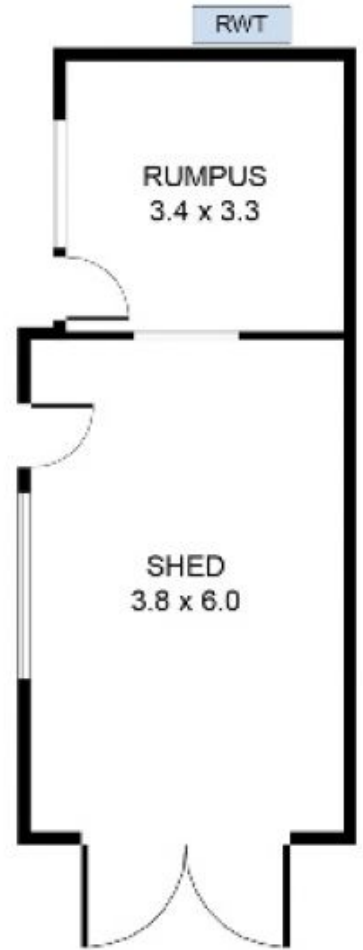

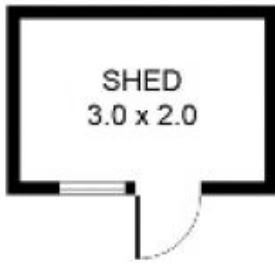

Other options include keeping the original house as an investment neat and tidy enough to rent or modernise and extend to build your long term family home.

Located in a popular, leafy street, close to public transport
