Underdale

34 Howard Street Underdale SA

Dream to build your new home in this quiet yet popular suburb, superbly positioned directly between the city and the beach with easy access to both plus transport nearby.

No more hunting for a well proportioned block- here it is!

This is not a skinny split block like most, this is a fantastic corner allotment offering a block size of 18.28 m x 18.26 metres totalling 334 sqm (approximately).

With the potential to build a sizeable detached 2 storey home or a single storey courtyard home (STCC) the choice is yours (with preliminary Council approval for a detached 2 storey dwelling).

Please contact our office for more information.

Land Size : 334 sqm
