In a neat and tidy group of just six units, this fully renovated ground floor unit sits in a perfect position directly opposite the rolling green fairways of the Royal Adelaide Golf Club.

You'll love the serene green vibe of this locale and while it's not quite a manicured golf course green, this gorgeous two bedroom home does offer a lush lawn in a fully fenced front garden. Enjoy your own patch of green bordered by garden beds - a cool and shady place to potter about on long summer evenings.

This unit also meets your outdoor entertaining needs with a low-maintenance paved and private rear courtyard complete with a veggie patch, garden shed and private rear access.
