23 Rowells Road Lockleys SA

4 2 2

Built in 2019 by Metro Homes and boasting intelligent design, this sensational home could put a little bit of excitement back into 2020 for one lucky buyer.

Featuring three blissfully big bedrooms and a study or four bedrooms, two living areas and two bathrooms plus a third w/c, the supersized floorplan provides flexibility and optimum space for families and professionals.

The ground floor master bedroom features a wide entry for those who like to make a grand entrance into their boudoir! Coupled with a generous walk-in robe and a stylish his'n'hers ensuite, this is a master suite worthy of the rich and famous.

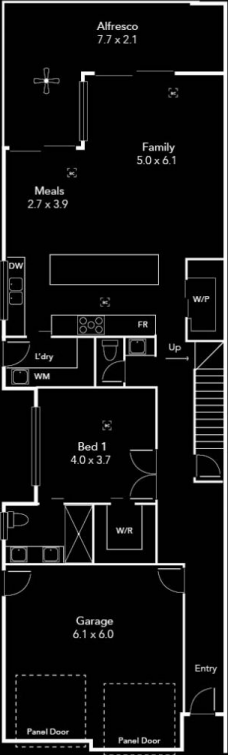

Upstairs the bedrooms are surprisingly spacious, while the generous study and rumpus room create a welcoming
