## 11A Lexington Road Henley Beach South SA

4 2 2

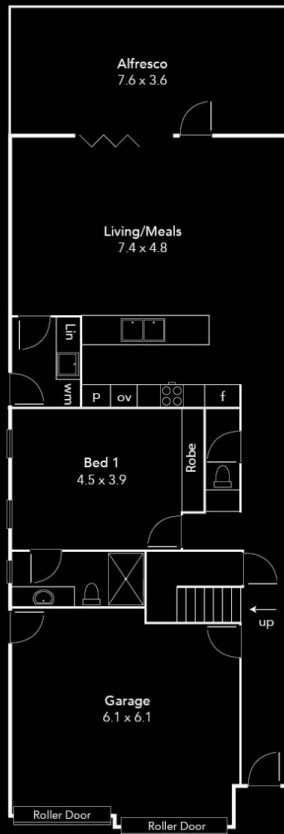

There is no better time to make Henley Beach South your happy home, and this pristine four bedroom property certainly dangles a bunch of tempting carrots.

If walking distance to the glorious Henley beachfront is on your list of must-haves, give it a tick. But this beautiful home gets a 10/10 for location given it also boasts the Henley Beach Primary School directly opposite, along with a vast local reserve, the Henley South Tennis Club and bus stops just down the road! Venture a little further and you can stroll along the River Torrens Linear Park Trail and enjoy sensational Sunday bike rides with the family.

Built in 2014, the property delivers a contemporary floorplan with tasteful composition. Sleek and glossy finishes are complemented by earthy accents for a vanilla-meets-caramel deliciously smooth kind of vibe.
