3 1 1

What a fabulous location for an entry-level property - a three bedroom maisonette to call your own just 500m from the shimmering shores of sunny Largs beach!

Pack your paddle board and say farewell to your landlord, because this chic little nest with a rustic vibe invites you to relax and maybe refurbish at your leisure - or not! The delightful interior showcases fresh feels accented by a crisp, light colour palette and contrasting timber tones in updated floating floors.

It's double brick with ducted evaporative air conditioning and ceiling fans along with roller shutters on the windows - so you know you'll stay cool all summer long.

Three super cute bedrooms accompany a stylish living room and a neat and tidy kitchen with generous dining
