27 Glenburnie Street Seaton SA

3 1 2

Take a trip down memory lane to the days when wallpaper hung on walls - not phones and computers! Built in 1971 and hanging on to its humble beginnings with a dash of retro style, this three bedroom family home is an exciting find for imaginative buyers.

The 559sqm block features 18.16m street frontage with front and rear gardens waiting for green-fingered gardeners. A handy investment or a potential site for building your dream home (subject to planning consent) this valuable property also ticks boxes for renovators and first home buyers.

Endless fun is at your fingertips when you live on the ocean side of Tapleys Hill Road with bus stops, local stores, snack bars and schools close by.

Price : \$ 562,000
Land Size : 559 sqm
