21 Gill Street Rosewater SA

3  1  1 

Refreshed and revitalised by a stunning makeover, this three bedroom property has been thoroughly transformed into smoking-hot family living with sassy substance and sunlit serenity.

Complementing the picture-perfect interior is a generous 792sqm landscaped block behind secure fencing with electric gate entry to the extended driveway.

Bursting with flourishing forever-home feels, a delightful back garden brings an idyllic sense of 'home' to outdoor living. Alongside the supersized undercover entertaining space is a detached rumpus room providing a children's play-space, a teen retreat or perhaps a fourth bedroom.

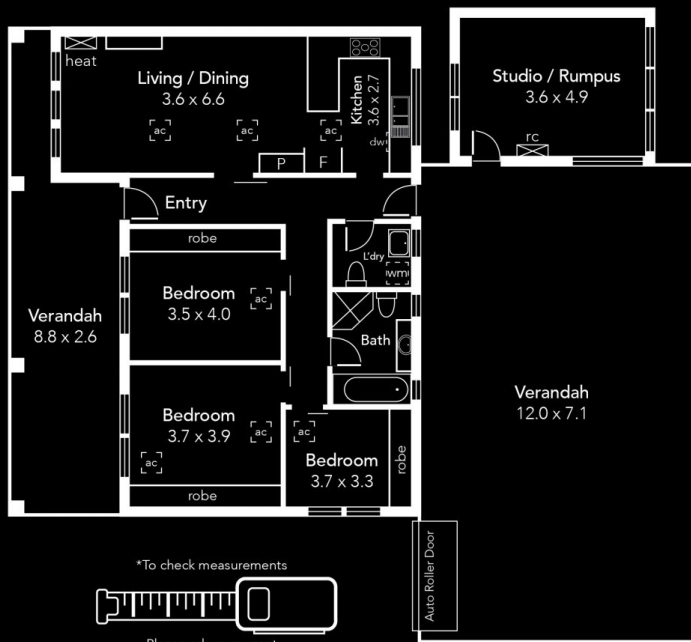

Indoors are three gorgeous bedrooms featuring built-in robes and a steamy-hot kitchen already sizzling with style!
