20 Kent Street Queenstown SA

4 1 2

She may not stop traffic, but this old girl boasts more than meets the eye!

A humble street presence belies the expansive interior - that of a substantial family home bringing a flexible configuration of four bedrooms and three living areas to meet your family's needs.

The well presented yet unfussy interior literally sparkles with promise. She'd love a makeover but is quite content as a plain-Jane with her beauty kept under wraps for now. So, renovate, rent out or reside - she'll welcome you either way!

Accompanying the spacious family home on a 557sqm block (approx.) is an extended roller-door carport and undercover outdoor entertaining space, with a large
