This sensational corner-block home on Riverside Drive leaves no stone unturned - presenting a something-for-everyone indoor/outdoor design that is undeniably impressive.

The well-maintained c.1974 residence has been previously updated and recently painted, delivering fresh and dynamic family spaces for daily living and special occasions.

Alongside the classic timber kitchen with a morning meals nook are two separate and spacious living areas, four snoozy bedrooms and two neat bathrooms.

The master bedroom features an ensuite and a walk-in robe, but the standout feature throughout all four of the internal bedrooms is the luxurious lustre and golden tones of beautiful oak flooring.
